

Lower Columbia Amateur Radio Association

Notes of the Activity Meeting of May 6th, 2015.

HF Night

Welcomed visitors: Wally's son Chad, also Rick Wickers.

Butch, AE7KJ, asked who was here for the Salmon Run. We received a certificate for it as the Top Score in Cowlitz County.

Need to start getting things ready for field day. Will talk about it at the Wednesday meetings. May plan to have four stations set up. We can use the Comm Van. And we will need some tents and generators.

Carl, K7ECW, said we will plan to do a potato bar for Woodland Founders Day as a fundraiser. Plan to start at 11:00am and go to 7:00pm and have two four hour shifts. Will need four people per shift. We will put the toppings on the potatoes.

Randy asked the people who had helped with the Hall of Justice evacuation drill to send him comments about it. He talked about the weather and the staging area.

There will be ELT practices on May 9 and 16 and 23. The mock drill will be on May 30th.

We visited and worked on radios the rest of the evening.

Attendance: 19

Respectfully submitted by:

Rick Ouzts, WA7NWN, Secretary.
