

# Lower Columbia Amateur Radio Association

## Notes of the Activity Meeting of Aug 5, 2015.

### HF Night

Randy said that on Wednesday Pacific Corp is having a Swift Dam breach exercise. We will need people at the EOC and at the fair ground convention center. If you can help let Randy know.

Next week will be a presentation by Steve, K7KO, it should be good.

We visited and talked about club things the rest on the evening.

**Attendance: 10**

**Respectfully submitted by:**

**Rick Ouzts, WA7NWN, Secretary.**
