**Closures:** You will notice these minutes deviate significantly from the norm. I felt it necessary to create modified minutes for the sake of continuity. We normally have monthly Business meetings followed by the minutes being posted for the perusal by all. It would seem odd to just skip a month with nothing noted.

I announced the closure of all LCARA formal functions through the end of April 2020. I based this decision upon the information/suggestions being provided by the CDC as well inputs from other government sources regarding the COVID-19 virus. The majority of our members are of an age most likely to be susceptible to this virus. The clubhouse is NOT off limits. If you decide to use the facility, please think about the cleanliness of the surfaces you may touch. Please be careful during this unpleasant upset in our lives. Thank you.

**ADDRESS SIGN** – Will be installed at the proper time.

**Good of the Order:** Quarantine yourselves and family. Is it really necessary to go out?

**Adjournment:** N / A

**Meeting adjourned:** N/A

**50/50 Drawing:** N/A

**Minutes Report Respectively Submitted:** By Ralph, President, N2RJR
